

How We Compare

Before you spend a dollar anywhere, see what you're actually comparing.

	PTorro Digital	Agency	Wix / GoDaddy	Freelancer
Starting price	\$529.28	\$4,000–\$35,000	\$200–\$600/yr (+ you build it yourself)	\$1,500–\$8,000
Time to go live	Under 1 week	2–6 months	You build it yourself	4–12 weeks
You own the site	✓ Yes — forever	✓ Usually	✗ Locked in — can't export	✓ Usually
Built for mobile	✓ Every site	Depends on budget	✗ Templates — not optimized	Varies
Real SEO built in	✓ Every site	At higher tiers	✗ Only 1.4% get traffic	Varies
Built for phone leads	✓ Click-to-call standard	Varies	✗ Built for creatives, not trades	Varies
Security & SSL	✓ We handle it	✓ Usually	Basic only	✗ Usually left to you
You do the work	Nothing — we handle it	Nothing	You do everything	Mostly nothing
Support after launch	✓ Ongoing plans available	Expensive retainers	✗ Knowledge base only	✗ Usually disappears

☐ For a plumber where one call = \$800, a **\$529.28 website pays for itself in a single job** — and keeps paying forever. An agency charges what a roofer earns on an entire project. We charge less than one service call.
